WHY SHOULD YOU SUPPORT COLIN'S HOPE?

Last year, 107 Texas children lost their lives to a fatal drowning, while many more survived a nonfatal drowning. Texas leads the nation in the number of child drownings and drowning is the number 1 cause of accidental death for children under 5, yet drowning is preventable.

Colin's Hope was founded in 2008 to honor Colin Holst, a 4 year old, who drowned in an Austin public lifeguarded pool. Colin's Hope is now a leader in local, state and National drowning prevention efforts. Our programs have been proven to increase children's water safety knowledge and improve their swimming skills. We need supporters like you to invest in us so that we can make an even bigger impact on children and families to prevent drowning. Thank you for your consideration.
