

## COLIN'S HOPE Best Day Ever Party

Colin's Hope is a nonprofit whose mission is to raise water safety awareness to prevent children from drowning.

We are excited to announce the Best Day Ever Party to Prevent Drowning, on the evening of April 1, 2017 at the beautiful custom home of Jason and Joanna Crabtree on Lake Travis. The party is the perfect chance for Colin's Hope to kickoff our 2017 Water Safety Awareness campaign. We are seeking sponsors and guests and ask you to join us.

### **Best Day Ever Party GOALS:**

### **WHY SHOULD YOU SUPPORT COLIN'S HOPE?**

Last year, 107 Texas children lost their lives to a fatal drowning, while many more survived a non-fatal drowning. Texas leads the nation in the number of child drownings and drowning is the number 1 cause of accidental death for children under 5, yet drowning is preventable. 8 Texas children have already lost their lives to a fatal drowning in 2017. We need to do more to prevent these tragedies.

Colin's Hope was founded in 2008 to honor Colin Holst, a 4 year old, who drowned in an Austin public lifeguarded pool. Colin's Hope is now a leader in local, state and National drowning prevention efforts. Our programs have been proven to increase children's water safety knowledge and improve their swimming skills. We need supporters like you to invest in us so that we can make an even bigger impact on children and families to prevent drowning. Thank you for your consideration and as Colin used to say, let's make it "The Best Day Ever!"
