

FAMILY WATER SAFETY PLAN

To use create your Family Water Safety Plan:

1. Print and teach "The Whole Hand Rules."
2. Print this document. For best results, print in full color. If you are using Adobe Acrobat, select "Fit to page."

Suggestions include -

- A. Children should wait for an adult before going in or near water.
- B. An Adult Water Guardian(s) must remain on duty and undistracted until relieved by another Adult Water Guardian.
- C. Our family will wear life jackets in and near the water.
- D. For more safety suggestions visit www.colinshope.org/tips.

3. Post the signs in common areas and/or near water sources including backyard pools, hot tubs, ponds, etc.
4. Set a few minutes aside before water-related activities and all family vacations to review your Family Water Safety Plan.
6. HAVE THE BEST DAY EVER!
